SEN-HAN Transit, a project of SCUCS, is Camden and Burlington County's specialized transportation system for elderly and disabled citizens. The system is supported through grants from the Camden and Burlington County Board of Freeholders, CDBG and NJ Transit.

Sine of Mt. Holly was selected from a slate of eight drivers. Fletcher of Camden was selected by her fellow drivers from a slate of five who met the agency's standards for safety, client sensitivity and excellence of service delivery.

More than 40 SEN-HAN drivers participated in the annual Roadeo which is designed to reinforce the drivers' formalized training in safety habits and passenger assistance. The Roadeo consists of a written test, as well as an obstacle course to test driving skills.
