

SEN-HAN TRANSIT

Tuesday and Thursday

Effective Tuesday, May 21, 2013

Renaissance Club and Larchmont Area-Zone ML-1

Holiday Village, Holiday Village East, Tricia Meadows-Zone ML-2

Ramblewood Area, Birchfield, Stonegate-Zone ML-3

Recently, the Township entered into an agreement with Senior Citizens United Community Services, Inc (SCUCS) and their program, SEN-HAN Transit, to operate a senior and disabled transportation program for their residents. This agreement provides access to non-emergency medical, private employment, post-secondary education and personal business trips. In addition we will also have access to a Wednesday shopping service on a first-come, first-served basis, which is made possible through a grant from the Casino Revenue Fund awarded to SCUCS.

As part of the agreement with the Township, SEN-HAN Transit will offer in-town shopping and personal business services exclusively for Mt. Laurel residents. On Tuesdays and Thursdays, buses will operate between 9:00 am and 4:00 pm. Personal business rides are only to the destinations listed below.

SEN-HAN operates a **reservation only** system for all demand services. First time passengers must call **(877) 603-5111** to pre-register for service. If you have been using SEN-HAN Transit, you will not need to complete the phone intake process.

Call to reserve your ride each week or you will not be picked up. Please call the working day before your trip: (856) 255-5348, between the hours of 6:00 am and 5:00 pm. Follow the instructions to leave a message for this program. Speak slowly and clearly: give your name, address with city, phone number and the Zone number and letter of your route (see above). For example, if you live in the Renaissance Club, you would call in on Monday for Tuesday and Wednesday for Thursday between 6:00 am and 5:00 pm, state your name, address with city, phone number and give your zone as Zone ML-1.

Remember to limit purchases to **four normal grocery stores bags** unless you are able to carry all of the purchases yourself by using a soft-sided folding grocery cart.
