As a direct result of the lower revenues generated in Atlantic City's casinos, SEN-HAN Transit is making minor changes to the shopping transportation service funded by the Casino Revenue grant. The majority of the zones and their days of service remain the same. Some of the destinations may be modified from your current destination. This redesign should make the delivery of service more cost-effective while improving program participation and ridership - a major goal of SCUCS.

SEN-HAN will continue to operate a **reservation only** system for all shopping routes. First time riders must call **(877) 603-5111** to pre-register for the service. If you have previously used the SEN-HAN shopping service, there is no need to re-register.

To ensure that your name is placed on the shopping list, call (856) 255-5348 the working day before your trip, between the hours of 6:00 am and 5:00 pm. Follow the instructions, so you can leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number, and the zone number and letter of your route. For example, if you live in Mount Holly, you would call on Thursday between 6:00 am and 5:00 pm, state your name, address with city, phone number and give your zone as Zone 5-B.

Remember to limit purchases to **four normal-sized grocery bags**, unless you are able to carry all of the purchases yourself using a soft-sided folding grocery cart.
