**SCUCS 2016 TRIP BROCHURE - VOLUME 1**  
**GENERAL INFORMATION**

**Office** - The office is open Monday through Friday from 9:00 am to 4:00 pm. The telephone number is (856) 456-1121. We have an automated answering system, which will allow you to be directly connected to the Trip Department by dialing Extension 333. If all the lines to our department are busy, you will be able to leave a message and we will call you back. **Meal choices should be called in after 4:00 and left on the answering machine.** There is no residency requirement for any of our trips. There is no age requirement to participate. The trips are mainly geared to senior citizens; however, some trips do require a lot of walking. If this is a problem for you, please call and inquire whether the trip is suitable to your capabilities.

**Reservations** - To make a reservation you must:

-Call the office to see if the trip is available and then make your reservation or email your request via our website (www.scucs.org).

-When making a reservation, please have the name, address, phone number, date of birth and an emergency contact person (someone not traveling with you) for each member of your party. To assure group seating, **a deposit must be made for each group member at the same time.** Deposits must be received within one week of making a reservation or your reservation will be cancelled.

-Reservations are taken on a first come, first served basis.

-Itineraries and prices are subject to change due to the need of advance bookings.

-Anyone requiring assistance should travel with a companion as we cannot provide a physical escort to assist you or provide assistance with medical appliances.

-All requests for special accommodations should be made when making your initial reservation (i.e. smoking/non-smoking room, walking difficulties, etc.).

**Payment** – Payment can be made by check or credit card. **WE DO NOT ACCEPT CASH. Checks should be made payable to SCUCS, Inc.** A deposit of one-half the price of the trip must be sent within one week to hold any reservation. **The final payment is due one month prior to the date of the trip for day trips, except for New York City/Broadway productions which is two months. For longer trips, please call the office for payment details. All returned checks are subject to a \$15 service charge.**

**Seating** - Specific seat assignments are made on all our tours and are based on the time we receive a payment for the trip. If you are traveling with friends, they should mail a payment at the same time to help insure sitting together. People traveling alone are placed where there is an available seat. You will receive a postcard informing you of your seat assignment prior to your trip. Any special request for seat assignments must be done with each individual reservation and will be considered but not guaranteed.

**Cancellation** - Trips cannot be booked or cancelled by leaving a phone message or sending an email. SCUCS has the right to cancel reservations if a deposit is not received within one week of making your reservation and the right to cancel any tour if there is an insufficient response. If a trip is cancelled due to insufficient response, you will receive a full refund without any deductions. **Passengers canceling less than four (4) weeks before the scheduled day trip will not be refunded unless insurance has been taken out on the trip. In some cases, just a Cancellation Fee may apply.** This fee will be waived if the space is subsequently resold. This policy does not apply to overnight trips or New York shows where we need two months' notice, and air tours where three months' notice applies. Unless space is resold, there will be no refunds without insurance. Passengers who do not travel are subject to 100% cancellation penalties. **There will be no refunds for unused portions of your tour.**

**Insurance** – Insurance is available and recommended for all trips with coverage for pre-departure (due to injury, sickness or death), post-departure trip interruption, travel delays, medical expenses/emergency assistance, accidental death and dismemberment and baggage/personal effects and can be purchased through our office. Insurance is available for those with pre-existing conditions **but must be purchased within one week of deposit in order to be covered. Insurance premiums are non-refundable unless SCUCS cancels the trip.**

**Smoking** – There is a "**No Smoking**" policy on our coaches. **Some coaches do not allow food or drink on the vehicle.**

**Disclaimer** - SCUCS is the trip organizer/coordinator and makes no warranties, expressed or implied, as to the performance of subcontractors. In the event of a subcontractor's failure to perform, SCUCS will diligently pursue available remedies, but under no circumstances does SCUCS guarantee restitution. Clients' sole remedy is to seek compensation directly from the subcontractor. Return times are approximate and vary due to conditions. SCUCS will not reimburse clients for expenses incurred by them if they do not complete a trip with the group.

**Departure** – All tours leave from 537 W. Nicholson Road in Audubon unless otherwise noted. Please arrive at least 15 minutes prior to departure time to check in with your tour guide. SCUCS assumes no responsibility for vehicles left at any pick-up location.

**SPECIAL NOTE:**

**Prices are subject to change without notice due to the imposition of fuel surcharges by vendors.**

**CHANGES COMING...**

We are in the process of installing new software in the Trip Department which will make the trip booking process much quicker. While there will be a learning curve for our staff and volunteers, the end result will be a much more efficient booking experience. The new software will eventually give you the capability to make trip payments online. This portion may take some time to get up and running but, again, will make things easier for staff and clients alike. We will also have post-trip surveys online for our clients to fill out and make comments regarding recent trips. Please bear with us during this transition.

Thank you for your understanding and patience.

**2016 RADIO CITY MUSIC HALL "CHRISTMAS SPECTACULAR"**

In 1885, John Tiller began choreographing groups of ladies in England. His Tiller Girls performed in a straight line and inspired a new type of tap dancing. When he saw them at the Ziegfeld Follies, Russell Markert dreamed of bringing the chorus line style to the USA. In 1925, he founded the Missouri Rockets in St. Louis, MO. After a showman named Samuel L. Roxy discovered their potential, they moved to New York City and changed their name to the Roxyettes. At the same time, people were excited about a new venue, Radio City Music Hall in Rockefeller Center. It was the Great Depression, and people needed a reason to smile.

When the girls appeared at the 1932 opening night as the Radio City Rockettes, they high-kicked their way into history. Their style is called a "tap and kick routine," and according to legend, they never miss a step. Both children and adults enjoy the kick line of 36 dancers, music and 3-D special effects. As the orchestra plays holiday music, "The Parade of the Wooden Soldiers" marches across the stage and Santa Claus gets ready to bring toys to children. Every winter, people cherish the Christmas season with Radio City Christmas Spectacular tickets. And if you're looking for the perfect gift, consider getting Radio City tickets for someone you love.

Featuring classic routines like "The Living Nativity", "The 12 Days of Christmas" and "The Nutcracker", this 90 minute show presents Santa's workshop, fireworks, friendly rag dolls and snow! You might even see some dancing Santas! This extraordinary Christmas show, which debuted in 1933, includes the world famous Radio City Rockettes, a cast and crew of hundreds, an awe inspiring Living Nativity with live animals and magnificent special effects. The Radio City Christmas Spectacular is an unparalleled Christmas show with universal appeal that lifts the spirit and creates memories including such highlights as the Wooden Soldiers and Christmas in New York. All trips include a meal and some free time. Call to have your name put on the list to be contacted when dates are confirmed.

Among the 34 songs included in the tribute are such Cash classics as 'A Boy Named Sue', 'I Walk the Line', 'Ring of Fire', 'Folsom Prison Blues', and 'Hurt'. Terry Lee's tribute to Johnny Cash has taken him all across the US, Canada, Ireland and the UK. In 2009 he was selected to provide the moves for Johnny Cash's character in Guitar Hero 5. Upon arrival at Resorts Casino, receive \$10 slot play (official picture ID required to receive bonus) and a \$20 meal voucher before the 3:30 pm show. The show is a musical journey through Jimmy's favorite songs by a wide variety of performers. He will certainly stop and focus on The King, Elvis Presley, with a very amusing parody, but keeps moving as he belts out the hits and covers many more greats like Billy Joel, Michael Buble, Elton John, Johnny Cash, Ray Charles, Louis Armstrong, Jimmy Durante, Stevie Wonder and maybe even The Boss, Bruce Springsteen. 'The Concert That Never Was' performed by tribute artists includes segments in which Streisand and Sinatra create masterful duets of 'Somewhere', 'Something Stupid' and 'New York, New York'. A highlight of the show is a delicate blending of two of their signature songs as Sinatra croons verses from 'It Was A Very Good Year' intertwined with Streisand's memorable 'The Way We Were'. The crooning sounds of Sinatra bring memories to an audience who remember the late great ol' blue eyes himself. While the uncanny looks of Barbra brings out the 'Funny Girl' herself.
